Parents, thank you for allowing us to work with your teenager. Please be sure to take an active part in their high school career. If you have questions, do not hesitate to contact us. The more open the lines of communication the better.

STUDENT WELL BEING

Student safety is the responsibility of both students and staff. Staff members are familiar with emergency procedures such as evacuation procedures, fire and tornado drills, safety drills in the event of a terrorist or other violent attack, and accident reporting procedures. If a student is aware of any dangerous situations or accident, s/he must notify a staff person immediately.

State law requires that all students have an emergency medical authorization form completed and signed by a parent or guardian on file at the school.

Students and staff are expected to immediately report to a teacher or administrator any suspicious behavior or situation that makes them uncomfortable.

INJURY OR ILLNESS

All injuries must be reported to a teacher or the office. If the injury/injuries is/are minor, the student will be treated and may return to class. If medical attention is required, the office will follow the school's emergency procedures and attempt to make contact with the student's parent/guardian.

A student who becomes ill during the school day should request permission to go to the office. An appropriate adult in the office will determine whether the student should remain in school or go home. No student will be released from school without proper parental permission.

STUDENT CODE OF CONDUCT

Infractions of the following rules could subject a student to out-of-school suspension, Friday School, detention, expulsion or alternative school as deemed appropriate by the principal, assistant principal or dean of students. Students who violate the district approved Acceptable Use Policy (computers & Internet) are also subject to the aforementioned as well as termination of computer privileges. These rules will be enforced on all school property, on school vehicles and at any extracurricular activity. However, the student must understand clearly:

- 1) When his/her behavior is deemed inappropriate, disruptive and/or unsafe to self or others, and if this behavior is not addressed in this handbook, that behavior can be deemed as insubordinate and appropriate discipline assigned by the principal, assistant principal.
- 2) When a student's disciplinary history becomes "expanded or persistent", throughout the course of a school year, that student is subject to out-of-school suspension and/or expulsion for the current semester of attendance.
- 3) This code of student conduct applies while school is in session, at school activities and while traveling to or from school. In addition, a student may be subject to school disciplinary action under this code for harassment, vandalism, physical abuse or other disruptive behavior toward school personnel during non-school hours. Such action is deemed appropriate by the Board of Education because disrespectful acts could negatively effect student behavior at school and thereby cause a deterioration in the learning environment.
- 4) Violation by a student of any one or more of the following rules of conduct may result in disciplinary action, including suspension, removal and/or expulsion, FILING A COMPLAINT WITH Mercer County Juvenile court and/or contacting local law enforcement. Parents will be notified when any such action is used.

CELL PHONES / ELECTRONIC DEVICES

In an effort to address the prominence and potential educational value of cell phones and electronic devices, Celina High School/Tri Star is revising their electronic device policy for the 2019-2020 school year. The administration reserves the right to revise or rescind this policy at any point during the school year, if deemed necessary, upon notification of the students and parents.

Electronic devices, i.e. cell phones or other means of electronic communication etc. are to remain off and out of sight when the student is within the classroom. Smart watches and similar items may also be restricted at certain times at the discretion of the teacher. Cell phone exceptions may only be made by the teacher when phones are being used for an academic purpose. Teachers or administrators may request that phones be placed on the student desk, on the floor, on the teacher's desk, or other designated area during tests and quizzes to assure that no cheating is taking place. Any contact with a cell phone, smart watch, or any other electronic device with communication capability during a test, quiz or in-class assignment will be considered cheating and will be addressed by the academic dishonesty policy found in this handbook. Teachers and

administrators may also ask that phones be left under the teacher's or administrator's supervision whenever the student leaves the room.

- Students may text (but not make calls nor take pictures/videos) outside of classrooms, on break, but should do so in a location that does not interfere with others. Students should not be texting while using the stairs nor while walking in the hallways.
- Students may use their devices to listen to music but only with the use of headphones or earbud and at the discretion of the teacher.
- Students may text, call, take pictures/videos or use other functions on their device during a class period only with the permission of a teacher or administrator.

Violation of these rules will be handled by each individual instructor, with the support of the administrative officials.

Improper use of cell phones on school grounds or at school related activities is subject to disciplinary consequences deemed necessary by the appropriate school officials and/or local authorities (police, etc.)

Video, digital images and or data may be subject to viewing by school officials and/or local authorities when there is suspicion of criminal activity or violation of school rules.

TRI STAR ATTENDANCE POLICY

The Ohio Revised Code Sec. 3321.01 states that a person between the ages of 6 and 18 years is of "compulsory school age" which means they are required to attend school. Ohio's Missing Child Law requires schools to make every effort to contact parents of absent students. It's the duty of Tri Star administration and staff to enforce laws of compulsory school attendance. Determinations of excused or unexcused are made by the administration. For cases not addressed below, the building principal or designee has full authority to handle each according to his/her best judgment. It is the responsibility of students and parents to ensure punctual and satisfactory attendance is maintained. School administration and staff assume the responsibility of keeping accurate records while upholding policy as appropriate.

TRI STAR ATTENDANCE PROCEDURE

Parents must notify the attendance office by 7:00-7:15 AM the day of an absence. All student or self calls are unexcused unless a note from a parent validates the absence and is received upon the student's return to school. If a student is absent and there is no contact received from a parent, the school will call in an effort to identify the student's whereabouts and ensure their safety. Students requiring a call from the school will be unexcused absent for that entire day. If a parent cannot be reached, the Truancy Officer may be notified to help locate the child. The school will send periodic attendance reports to parents of students with attendance concerns. Excessive unexcused absences are grounds for Absence Intervention and Juvenile Court referral.

Note:

Attendance phone number to call in absences is: Tri Star – 419-586-7060

EXCUSED: Excused absences are allowed for students due to illness, emergency travel, or emergency circumstances. Students are responsible for obtaining, completing, and submitting any and all assignments missed due to excused absences.

Students may miss up to 10 days total in a school year. When contacting the attendance office, you must provide a reason for missing school. The following reasons can be considered excused: personal illness, death in the family, religious holiday, vacation an emergency or set of circumstances which constitute a sufficient cause for absence as judged by the Superintendent of schools or designee. It is parent and student responsibility to communicate and receive prior approval for foreseen absences. Each student is limited to 10 excused absences per academic year. College visits will not count against the 10 day allowance when prior approval is done.

RESTRICTIONS: Student vacations cannot occur during the last week in a semester due to final exams. Unexcused absences during final exams will result in no credit for the course.

Attendance penalties are waived for medical absences when proper documentation is provided. A doctor's note with specific times and dates of medical care or excuse must be submitted within 5 school days of a medical absence. If no note is provided, the absence will count against the 10- day allowance or as an unexcused absence if no allowance remains. Absences in excess of the 10 outlined above will be designated as unexcused.

UNEXCUSED: Unexcused student absences are detrimental to any student's education. By being absent excessively or without justification, students miss valuable classroom instruction and educational activities. Class work missed due to unexcused absences will not be graded or credited to the student. Consequences for unexcused absences may include: Juvenile Court referral pursuant to ORC3321.01, in school suspension, detention, Wednesday School , or other consequences as deemed appropriate by Tri Star administration.

Student absences are tracked by hours as well. Partial absences and tardies will be tracked and accumulated toward the absence thresholds and consequences will be handed out by individual classroom teachers.

- **Habitually Truant**
 - 30 consecutive hours without a doctor's note
 - 42 unexcused absences per month
 - 72 unexcused absences per year

- 65 hours of excused and unexcused absences combined per year
- Chronically Absent
 - 10% of the total hours in a school year
 - 92 hours of excused and unexcused absences combined per year

Should these thresholds of absence occur, a student under 18 years of age will have formal complaints made against them in the Mercer County Juvenile Court in accordance with state law.

TARDY POLICIES

Students are expected to be at school on time. Tardies will be handled by each instructor in their class based on the employability skill component in the curriculum.

STUDENT BUS REGULATIONS

Tri Star member schools furnishes transportation in accordance with state law. Once a student boards a bus, s/he becomes the responsibility of the District. Such responsibility will end when the student is delivered to the regular bus stop at the close of the session (a.m. and p.m.).

Students on a bus are under the authority of and directly responsible to the bus driver. The driver has the authority to enforce the established regulations for bus conduct. Disorderly conduct or refusal to submit to the authority of the driver will be sufficient reason for refusing transportation service to any student.

Regulations regarding conduct on school buses, as well as general information about the school transportation program, will be approved by the Board and made available to all parents and students.

Video security cameras are installed in the district's school buses. Appropriate disciplinary action will be taken if a student is videotaped and determined to be in violation of any of the bus safety rules.

STEPS OF DISCIPLINE BY PRINCIPAL (for bus related infractions):

1. First written referral - 1-3 days suspension of bus riding privileges
2. Second written referral – 5 days suspension of bus riding privileges.
3. Third written referral – 10 days suspension of bus riding privileges, with recommendation for removal from the bus for the remainder of the semester or school year.

*At all times, the home school principal, Tri Star Director, and Tri Star Assistant Director has the authority to remove a student immediately and/or permanently if a student engages in extremely dangerous or illegal conduct.

STUDENT DRIVING/PARKING PRIVILEGES

Any student who parks in a designated staff area; who drives in a reckless and unsafe manner; who parks in a designated handicapped space or fire zone; or who violates any other section of the school disciplinary code while parking a vehicle will be subject to:

1. Detention, Wednesday School, or In School Suspension
2. Suspension of driving privileges to and from school
3. Vehicle towed at owner's expense
4. Referral to local law enforcement agency

DRIVING TO AND FROM TRI STAR

Any student who receives a speeding ticket, warning, or any other traffic violation while driving to or from their Tri Star class will be subject to losing their driving privileges. The student will then be required to use Tri Star bus transportation to and from class. This loss of privilege will be judged per incident.

Note: Tri Star provides daily transportation to and from Tri Star Career Compact.

All Tri Star students who drive or ride to their Tri Star class need to turn in a Tri Star Transportation Form and proof of insurance. Failure to turn in this information will result in driving privileges being revoked.

INTERROGATIONS AND SEARCHES

The District has responsibility for the control and management of the students during the school day and hours of approved extracurricular activities. The District has developed regulations to be followed in the case of searches and interrogations.

The right of inspection of student's lockers or articles carried upon their persons and the interrogation of an individual student is inherent in the authority granted to the Board. Administrators should exercise procedures to ensure parents that the school, in exercising its "in loco parentis" relationship with their children, will employ safeguards to protect the well-being of those children. Searches may take place when it is reasonably likely to produce anticipated tangible results to enforce school rules, combat theft, preserve discipline and good order or promote the safety and security of persons and their property within the area of educational responsibility.

School personnel must have "reason to believe" that the items actually exist in the area to be searched. They are also permitted to search personal property (purse, knapsack, gym bag, vehicle, etc.) of a student when there is reason to believe that evidence will be obtained indicating the student's violation of either the law or school rules.

Student lockers are the property of the school entrusted to students for their responsible use and are subject to search at any time.

In no situations or circumstances are strip searches to be conducted by school personnel. In circumstances where the gravity of the situation seems to warrant a strip search, the police are to be contacted and secured to perform all searches of this nature. For purposes of the policy, a strip search is defined as a complete removal of all clothing.

Interrogations of students by law enforcement agencies and other authorities outside the District are extremely disruptive to a student's educational process; additionally, such interrogations may impact student and/or parental rights. A determination whether to allow such interrogation will be made by school administrators on a case-by-case basis.

SUBSTANCE FREE ENVIRONMENT

The Board believes that tobacco smoke and all forms of tobacco in the school and work environments are not conducive to good health. As an educational organization, the District should provide both effective educational programs and a positive example to students concerning the use of tobacco.

Recognizing the negative impact on nonsmokers or other smoking, the Board declares, all public buildings operated by the Board, and all spaces within them, to be officially designated smoke-free as well as free of the use of all tobacco products. Staff, students, and members of the public are expected to observe this restriction at all times.

The Board will not permit any student or employee to possess, transmit, conceal, consume, show evidence of having consumed, used or offer for sale any alcoholic beverages, illegal drugs, unprescribed drugs, look-alike drugs or any mind altering substance while on school grounds or facilities; at school sponsored events; or in other situations under the authority of the District or in school owned or school approved vehicles. Included in this prohibition are any substances represented as a controlled substance, non-alcoholic beers, steroids, tobacco and tobacco products/vapes, and drug paraphernalia.
